QUICK FACTS:

- Established 1982
- 114,000 sq. ft. UK manufacturing facility
- High volume capacity
- Standard range or bespoke customisations
- Value added design engineering service
- ISO 9001:2015 certified
- Continuous investment and development
- Agile design, lean manufacturing
- Equipment integration capabilities
- EU product distribution

BENEFITS TO YOU:

- + High quality = reliability = low total cost of ownership
- + Capacity for national scale projects
- + Security of working with a leading supplier
- + Flexible rapid design customisation
- + Complete end-to-end solutions
- + Deep industry experience and technical excellence
